

**JICA GROUP TRAINING COURSE
IN
HYDROGRAPHIC SURVEY
1994**

The JICA Group Training Course in Hydrographic Survey (Internationally Accredited Category B course) will take place at the Hydrographic Department of Japan from 18 April to 11 November 1994.

The "General Information" brochure which gives in-

formation on its curriculum, programme, application procedures, etc. on the course is to be forwarded through diplomatic channels to the following 13 countries: Brazil, Brunei, Côte d'Ivoire, Egypt, Fiji, Indonesia, Kenya, Korea, Malaysia, Pakistan, Philippines, Qatar, and Uruguay.

**INDIVIDUAL TRAINING
1993**

An individual training in equipment maintenance and in nautical chart reproduction was conducted by the Hydrographic Department of Japan for Mr. Antonio G. Dela Cruz and Mr. Rufino C. Sevilla of Coast and Geodetic Survey Department, NAMRIA, Philippines, from 8 September to 12 November 1993, respectively.

The training was arranged and sponsored by the Japan International Cooperation Agency (JICA), and conducted for transferring technology to counterparts in CGSD, NAMRIA, as part of the Mini-Project Type Technical Cooperation in Hydrographic Surveying and Nautical Charting for the Philippines.
