

6TH JAPAN/KOREA HYDROGRAPHIC TECHNICAL MEETING HELD IN TOKYO

The 6th Japan/Korea Hydrographic Technical Meeting was held at the Hydrographic Department of Japan (JHD) in Tokyo, and its sub-session specially focused on the joint GPS observation took place at Simosato Hydrographic Observatory of the 5th Regional Maritime Safety Headquarters on 22 November and 24 November, respectively. The Meeting was attended by:

From JHD;

- Dr. Shoichi Oshima, Director, Planning Division,
- Dr. Yasuhiro Ganeko, Director, Coastal Surveys and Cartography Division,
- Mr. Tei Nakajima, Director, Geodesy and Geophysics Division,
- Mr. Tadao Tatsuno, Head, Cartography Office,
- Mr. Toshio Nagai, Head, International Cooperation Office, and other JHD staff concerned.

From Office of Hydrographic Affairs, Korea (ROKOHA):

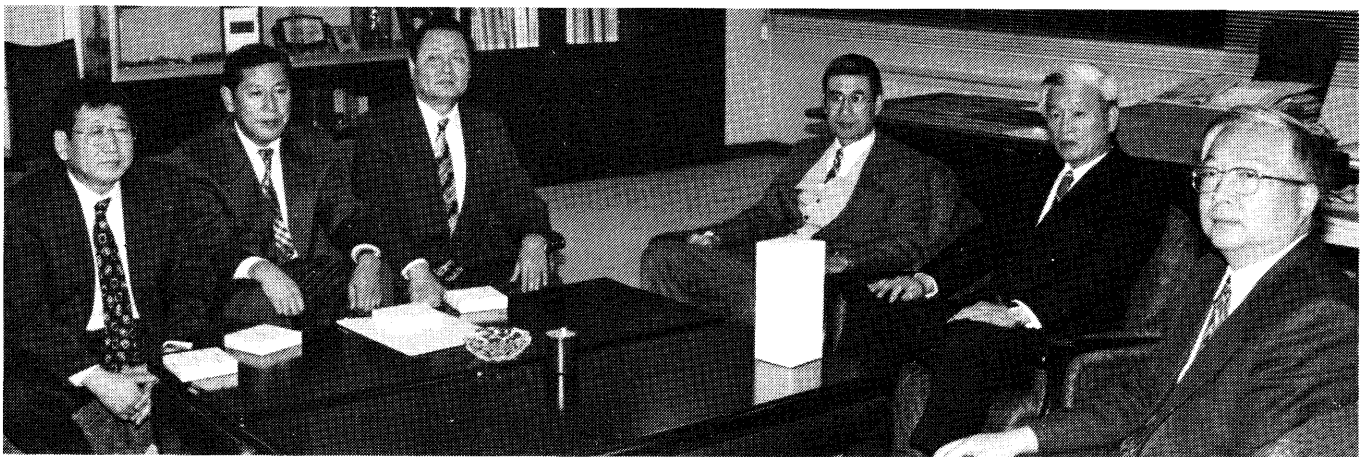

- Mr. Kim, Chang Hoon, Director, Maritime Safety Division,

- Mr. Lee, Byung Seob, Deputy Director, Survey Division,
- Mr. Lee, Sang Eop, Deputy Director, Nautical Chart Division,
- Mr. Back, Gong Gu, Junior Hydrographic Officer, Survey Division.

The Meeting was chaired by Dr. S. Oshima, and among many topics discussed were development of Electronic Navigational Chart (ENC), mutual exchange of ocean current data between JHD and ROKOHA, and the joint geodetic study. It was recognized and agreed by both the sides that the East Asia Hydrographic Commission (EAHC) would be a most appropriate framework to study the establishment of a regional ENC data base, and the mutual cooperation in developing ENC and its data bases should further be promoted in the region.

It was also agreed that the next meeting would be held in Korea in 1995.

After the meeting in JHD Tokyo Hqs., all the Korean members conducted by Mr. Masayuki Fujita, Assistant Research Officer of Geodesy and Geophysics Division, JHD, shifted from Tokyo to Simosato, where the joint GPS observation was carried out.

From left: Mr. Lee, B.S., Mr. Lee, S.E., Mr. Kim, C.H. Dr. S. Oshima, Mr. M. Shiozaki, and Mr. T. Nagai in Chief Hydrographer's Room, JHD
