GROUP TRAINING COURSE IN HYDROGRAPHIC SURVEY, 1995

The JICA Group Training Course in Hydrographic Survey, Internationally Accredited Category B Course, for 1995 started at the Hydrographic Department of Japan on 17 April 1995.

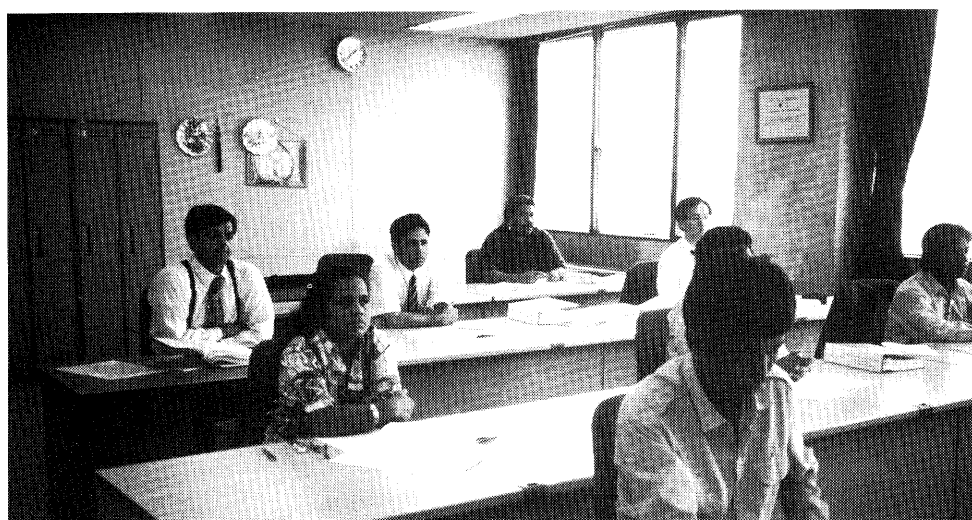

10 participants from 9 countries, who were selected among many applicants, arrived in Tokyo on 10 or 11 April. After given a general orientation by JICA at its Tokyo International Center (TIC) for about one week, they have assembled at JHD on 17 April and are now participating in the course with their great expectation for the coming seven months. The participants are:

- Mr. Md. Abdur Rahim, Bangladesh Inlandwater Transport Authority, Bangladesh
- Mr. Mahmoud Ali Awad Ghweeba, Suez Canal Authority, Egypt
- Mr. Soko Veikauyaki, Hydrographic Office, Fiji
- Mr. Suryo, Directorate of Navigation, Indonesia
- Mr. Mohamad Arief Syafi'i, National Coordination Agency for Surveys and Mapping, Indonesia
- Mr. Kim, June-Sik, Office of Hydrographic Affairs, Republic of Korea
- Mr. Abdul Aziz Bin Haji Jantan, Department of Survey and Mapping, Malaysia
- Mr. Muhammad Ovais Butt, Hydrographic Department, Pakistan
- Mr. Audie Azagra Ventirez, Coast and Geodetic Survey Department, NAMRIA, Philippines
- Ms. Jayanthi Manel Abeysuriya, Sri Lanka Ports Authority, Sri Lanka.
