

## *JHD staff members reshuffled*

Every April is the time for the Hydrographic Department of Japan to reshuffle its staff members, and JHD Tokyo Headquarters welcomed three new members: Mr. Shin TANI was appointed as Head of Continental Shelf Surveys Office, Mr. Tetsuji MIYAMOTO as Head of Marine Pollution Research Laboratory, and Mr. Shigeshi MIMURA as Head of Chart Maintenance Office on 1st April 2001, respectively. In July, the JHD welcomed two new members: Mr. Kunio ITO was appointed as Deputy Director General of JHD and Mr. Hideo OSUGA as Director of Administration Division.
