

JICA Group Training Course on Hydrographic Survey for 2004 Closed

Ten trainees (see page 10 of EAHC Newsletter No.45) who had received "JICA Group Training Course on Hydrographic Survey 2 (Internationally Accredited Category B Course) for 2004" at the Hydrographic and Oceanographic Department of Japan (JHOD) in Tokyo finished all the training schedules for about seven months, and closed the course. The closing ceremony of the course took place at the JICA's Tokyo International Center (TIC) on December 10, 2004, attended Dr. Kunio Yashima, Director General of JHOD, Mr. Nobuaki Miyata, Social Development Team Director of TIC, and Dr. Yoshio Kubo, Counselor of Japan Hydrographic Association, as well as lecturers, instructors, and related officers of JHOD and JICA.

Each trainee from Bangladesh, China, Egypt, Indonesia, Kenya, Malaysia, Mauritius, Pakistan, Philippines and Sri Lanka was awarded with the certificate from Dr. Yashima.

Closing address by Nobuaki Miyata of TIC

Mr. Joseph Kipkosgei Rotich, Kenya, receiving the certificate from Dr. Kunio Yashima, Director General of JHOD

Finally, Mr. Muhammad Ali of Pakistan on behalf of trainees stated words of thanks to all related persons of the course.
